Guidelines for CA2 : CSE435
(Comprehensive Seminar)

Jan- Apr 2026

Lovely Professional University

Punjab

Formatting for Seminar Report

1) The report should be prepared on A4 letter size.
2) The font type should be Times New Roman. The font size should be 14 for headings and 12 for normal text.
3) All the headings should be in bold and all the other matter should be normal.
4) The text should be justified throughout the report except for headings, figures, tables, schemes etc.
5) The line spacing should be fixed at 1.5 for the entire report.
6) The page numbers should be mentioned at bottom middle position.
7) The top, bottom and right margins should be 1" each whereas the left margins should be set at 1.25".
8) The chapters should be numbered as Chapter-1, Chapter-2, etc. whereas figures, charts, tables etc. should be numbered as 1.1, 2.1 etc. For example- figure 1.1 corresponds to first figure in chapter-1.
9) The maximum size of the report should be 5 MB

Chapter outline for Final Report preparation

The report should be divided into minimum of 5 chapters. The number of chapters can be increased to maximum of 7 depending upon the requirement and nature of the work undertaken by the students. The suggestive guidelines for each chapter are as follows:

Chapter 1: Introduction

- Title of the seminar topic
- Background and importance of the topic
- Objectives of the seminar
- Brief overview of the approach or methodology used to study the topic

Chapter 2: Literature Review

Chapter 3: Conceptual Study / Seminar Work

- Explanation of core concepts related to the topic
- Description of models, algorithms, or system architecture
- Workflow diagrams or conceptual frameworks
- Tools, platforms, or technologies studied (if any)

Chapter 4: Results and Discussion

- Key observations derived from the study
- Conceptual comparisons or analysis
- Interpretation of diagrams, tables, or figures
- Discussion on advantages, limitations, and insights gained

Chapter 5: Conclusion and Future Scope

- Summary of the seminar work
- Major learning outcomes
- Conclusions drawn from the study
- Possible future developments, enhancements, or research directions

DECLARATION

I hereby declare that the seminar report titled "_____" submitted in partial fulfillment of the requirements for the award of the degree of Bachelor of Technology in Computer Science and Engineering is a record of my own work carried out during the academic session _____.

I further declare that this report has not been submitted, either in part or in full, to any other institution or university for the award of any degree or diploma.

I confirm that the content of this report is original and prepared by me. Any references used have been duly acknowledged. I also declare that the use of Artificial Intelligence (AI) tools, if any, has been minimal and the AI-generated content in this report is **less than 10%**, ensuring that the majority of the work reflects my own understanding and effort.

I take full responsibility for the authenticity and originality of the work presented in this report.
